

# Transition Planning -

## *Preparing to Attend Mt. Sentinel*

You are invited to attend an information sharing night with staff from Mt. Sentinel Secondary School. This will be an opportunity to meet with school administration to do some “**myth busting**” and fact finding about high school. The goal is for parents to come away from the meeting feeling confident and prepared for a smooth transition to Grade 7.

**Tuesday, May 16, 2017 ~ 6:30 — 8:00 pm.**

**Mount Sentinel School Library  
1014 Playmor Road, South Slokan**

The evening will be hosted by the Mt. Sentinel PAC. Snacks and refreshments will be provided. We look forward to meeting you!
