

Parent and Community Volunteers

We invite you to join us in an important volunteer role to support another exciting year of learning and engagement both in our school and out in the community.

As a volunteer in our school, you take on the responsibility of a “trusted adult” that our youth look toward for encouragement and a helping hand. In this role, it is important that you feel supported and safe, and at the same time, understand the expectations of our volunteers as outlined by our District and school policies.

Prior to participating as a volunteer, we ask that you review and complete our **Volunteer Information/Application Package** attached. We know that this is new for Mt. Sentinel, but is certainly not new in our District. We are required to align our school practices with District policies and procedures.

For more information, please visit the policy section of our District website: [Administrative Procedure 2303: Volunteers](#). Please note, that the teacher sponsor will submit the volunteer package to the school principal for review and final approval.

Your volunteer time with us is valued and appreciated. Volunteerism is an important value we try to encourage in our youth at Mt. Sentinel. As a school volunteer, you help us model what this looks like and the reward that comes from sharing our time for the betterment of our community.

With gratitude for your support,

Shellie Maloff | Principal
Mount Sentinel Secondary School
